Copy of letter no. M.S.R. 177 of 1920 dated 11th March20 from the District Magistrate, Dharwar to the Nawab Saheb, Savanur

" I have the honour to state that the Assistant Collector of Excise Dharwar Division reports to me of an abkari case in which an accused person who was found transporting illicit liquor within the limits of Savanur State was convicted and sentenced to pay a fine of Rs.8/- by the 1st Class Majistrate of the State (Case no. 6 of 1920). The Assistant Collector of Excise complains of the leniency of the sentence passed in the case, and asks me to move the State Authorities to inflict deterrent punishments in such cases in future. I have therefore the honour to request you to kindly issue such orders to State Majistrates as you consider desirable.

2 In view of the prevalence of illicit distillation (due chiefly to the abolition of a maximum selling price in shops) I have suggested to my own Magistrates that lenience in sentences will generally be misplaced. The offenders are no doubt generally persons of humble stations but they stand to make large sums of money by their offence."

Dated 15th March 1920.

Copy Forwarded with compliments to the Divan and District Magistrate Savanur.

2 The Magistrate First Class Savanur should be informed that, in such cases and also in other cases lenient sentences of punishment should not be passed by him and serious notice should be taken of this order by him.

Sir,

I beg to enclose for favour of your perusal & orders page 26 of the Bombay Government Gazettee dated 11-11-18 where-in it was notified that District Police Act 1890 having been amended, Sec. 61A has been inserted, after Sec. 61. This amendment purports to state that where cattle are habitually allowed to stray & that such cattle, trespass on land & --- damage crops or other produce thereon, the Government may -- direct that provision of Sec. 61 A shall have operation in - such area.

Sec. 61 A lays down that a person who through neglect or otherwise fails to keep in confinement or under restraint -- between an hour after sunset and sunrise any of his cattle - shall be punished with fine or imprisonment.

I beg to bring to your honours notice that the correspondence regarding the application of this amendment to the State was first started by my predecessor as in his opinion, the introduction of the amendment of the new Sec. 61 A, would be necessary as can be seen from memo of 19 of 23-3-19 which is -- enclosed.

The Sub-Inspector of Police reports in his No. 635/27 & 19 that operation of this Sec. at Savanur and the outposts is - necessary.

So far I know, people at Savanur & Mallad villages, freely allow their cattle to stray especially by night during the time when there is crop on lands with the intention that they should be nourished without any cost & trouble to them Causing a great damage to the standing crops.

In order to stop this undesirable practice fines levied under cattle Trespass Act. for cattle impounded at Savanur were -- doubled some years ago ~~xx~~ without any salutary result. In my humble opinion, it is advisible in the interest of poor Ryots to bring the provision of this Sec. into operation in the State limits.

If your honour is pleased to approve of the proposal, notice will be issued to all the State villages requiring them to show cause why these operations should not be orderd to be brought into force & then a report submitted.

I have the honour to be

Sir,

Your most obedient servant

Divan of Savanur.
